News around SHNA

Our next Qtrly Meeting will be next week, Thursday August 11 from 7-8 pm, at Christ United Methodist Church, on Gibson east of our Dakota Street entrance. This meeting, as always, is open to all Siesta Hills residents, regardless of whether or not you are a SHNA member.

We need members to please register and pay their annual dues that are only \$10/year to support our efforts. See form below and remember only paid members can vote, and with payment you will get our roster.

Dues can be paid at any meeting. Please come early and bring your payment. Make checks payable to SHNA and fill out and include the dues form below. Dues are good for one year from payment, and only paid members can vote at the Annual Meeting.

Mail Thefts

We all need to look at the situation and think about reducing our vulnerability to mail theft. If we are consistent as a neighborhood we will reduce the incidence in our neighborhood. Some tips;

If your mail was stolen you are at risk for identity theft. You should consider at a minimum filing a Fraud Alert with the credit agencies. This is a no cost option that gives your protection for three months. Please read about options for credit alerts and credit freeze.

See this article for more information:

If you lost mail I would consider the free "Fraud alerts" every 90 days for a while.

Dialogue continues for cameras with some neighbors donating 300.00 to buy the first license plate camera to be installed in our neighborhood and hopefully more once we see the benefits of this one!!
